ENSURING YOUR DEFIBRILLATOR IS ALWAYS READY TO GO!

Your DEFIB Service Manager

Meeting all your Defibrillator Needs

You've made a smart decision to have a lifesaving defibrillator on-site as a service to your community, clientele, employees, friends, and family. Now make sure your defibrillator is always ready with the **Starting Hearts DEFIB Service Program.**

OFFERING
YOU PEACE
OF MIND

Our Turnkey Program is Designed Just For You

We provide everything you need to ensure your defibrillator is always ready to go and in full compliance. Our program includes monthly email reminders and automatic replacement of pads and batteries prior to expiration, saving you precious time and trouble.

DEFIBMAN

Total Support from a Name You Can Trust

Starting Hearts trains thousands of people every year in leadership and lifesaving skills, as well as places and maintains defibrillators in public and private. As a non-profit, our primary motivation is to save lives. We are pleased to be your service provider and support your wise decision to place a lifesaving defibrillator in your facility or home.
